

1. Always give yourself credit for having more than personality.
2. Make an exhaustive list of everything you might do and do the last thing on the list.
3. Look at the order in which you do things.

## List Page

**"Make an exhaustive list of everything you might do and do the last thing on that list."**

Travel the world.

Walk across the street.

Take a nap

Wack myself with a pillow.

Feel extremely luck that air is transparent

Go to Walmart and complain about how soft the towels are

Put crayons on to paper and then melt them and see what happens to them

Mix weird ingredients and see if I can eat it

Play pranks on my siblings

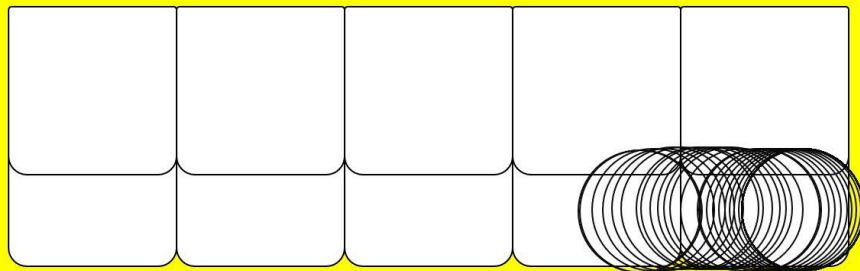

Turn on music and go crazy

Go into Pizza Hut and order tacos

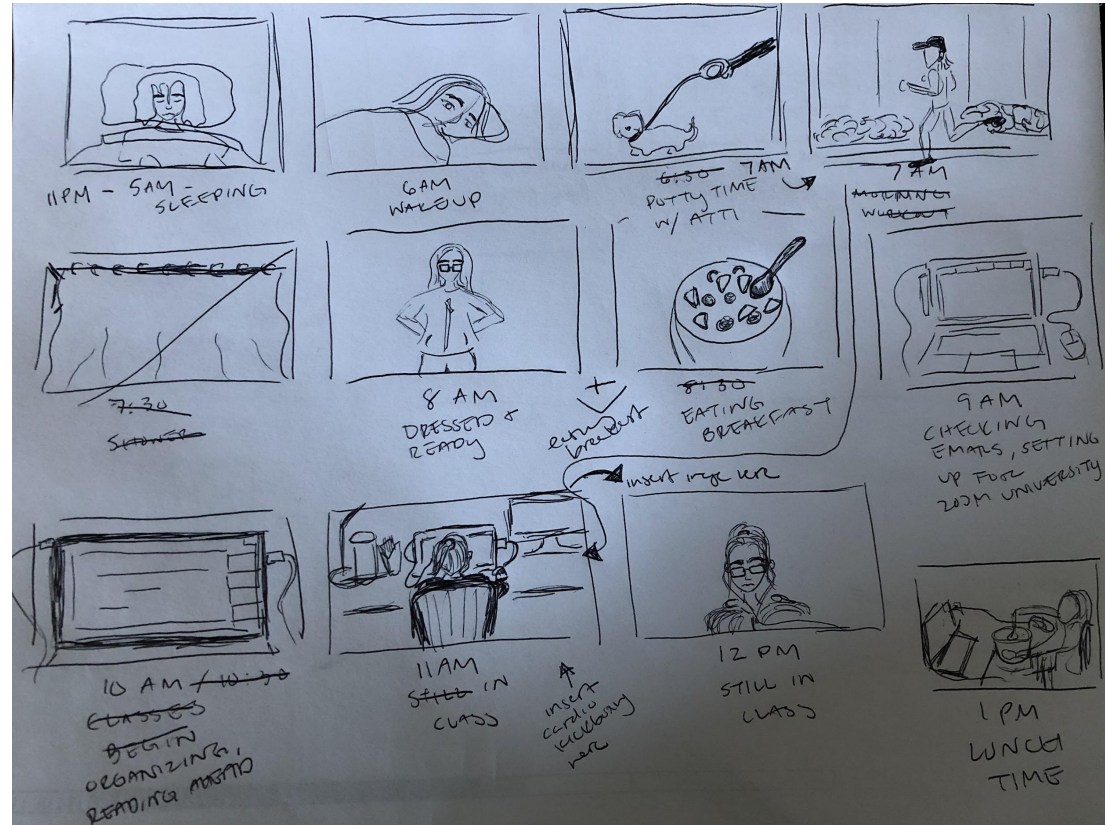

Spy on my neighbors

Play rock paper scissors in front of a mirror until I win
